Letter from the Community Services Department Director

As we proceed through the New Year and head to the wonderful time of the year, our spring and summer seasons, I reflect on how thankful we are for our excellent programs and outstanding facilities in Mountain View. Our staff consistently impress with their dedication, innovation, hard work and truly inspiring work ethic to make these all possible.

But the commitment of so many of our partners and our friends, who volunteer their time to make this, our community better, always humbles me.

Thank you to our Friends Groups at Deer Hollow Farm, at the Rengstorff house, at Stevens Creek Trail and Mountain View Trees for the generous support, time and valuable contribution you make for us.

Thank you to our partners at Silicon Shores, Lakeside Café, Michael's Restaurant, Bean Scene Café, Touchstone Golf, Mountain View Tennis and Live Nation, Shoreline Amphitheater for all the great work you do.

And also I am truly in awe with support we receive from so many of you volunteering at our Special Events, at our Center for Performing Arts and all the youth programs going on in our City.

Thanks for sharing with us not only your talents, but also your stories. You are the reason we can do what we do.

Please review the excellent programs offered throughout this Activity Guide and join us at one of our many opportunities for you and your family.

Have a great summer! Let us know if we can help make something better for you too.

Recreation Class Financial Assistance Program (FAP)

The City provides eligible, low-income Mountain View families limited financial assistance to register children for recreation classes in order to enjoy the benefits of recreation. To qualify, applicants must be a Mountain View resident and qualify through the Community Services Agency (CSA) screening process (subject to Santa Clara County HUD guidelines). The original CSA Financial Assistance Form must be submitted each year at the first time of registration for recreation classes. Upon eligibility, recipients will be allowed to register for a maximum of \$400 or \$800 worth of classes.

- FAP allocations do not cover any material fees. Material fees must be paid out of pocket.
- Withdrawals made less than five business days prior to the start date of a class will have double the cost of the class subtracted from the customer's FAP allocation. No amount will be returned to the remaining FAP balance once it has been applied towards class registration unless the class is cancelled by the Recreation Division. A \$10 out-of-pocket fee shall be charged per transaction.
- Requests for transfers, if space is available, MUST be made no less than three business days before the first day of the transfer out class. A \$10 out-of-pocket fee shall be charged per transaction.
- FAP is good for one year (September 1 through August 31) and does not apply to Adult Classes, Golf, Tennis, Lap Swims, and Special Events.
- FAP recipients who do not attend the first day of a class for which they are registered will be automatically withdrawn, have double the cost of the class subtracted from their FAP allocation and charged a \$10 processing fee (must be paid out-of-pocket). **FAP participants must contact the Recreation Division before the start of the first day of each session to report absences. If contact is not made, the FAP participant may be withdrawn.**
- FAP is good for one year (September 1 through August 31) and does not apply to Adult Classes, Golf, Tennis, Lap Swims, and Special Events.

Swim Lessons Registration and Guidelines

Registration

- Based on American Red Cross Learn to Swim Program, each child must be the required minimum/maximum age on the first day of each session. Unfortunately the age requirement is not negotiable.
- For the first session your child participates in, we recommend enrollment in the last swim level completed in summer 2014. This serves as a great refresher after almost one year out of the water.
- We strongly urge you to make sure your child is registered for the correct level. If your child is registered for the incorrect level we do not guarantee space in other levels.
- If there is an open spot in a class, the waitlist will be contacted first before allowing any other children into the class.
- To keep your child safe, registration in consecutive classes is not permitted.

ADULT PROGRAMS

Mountain View Tennis offers a wide variety of Recreation tennis classes and programs for every level of play. Whether you are just learning tennis for the first time or training to compete on a USTA adult team, MVT offers dynamic classes and skilled instruction that is sure to improve your game.

The minimum age for all adult classes is 16.5 years old.

BEGINNING TENNIS

Tennis has never been easier to play and learn. By using NEW progression tennis balls and a progressive games-based approach to learning, you will be able to learn skills necessary to rally the ball in the first hour of the first class.

INTERMEDIATE TENNIS

Continue to strengthen basic skills. Must be able to rally and get your serve in. Begin to work on more footwork for all shots. USTA NTRP rating 2.5.

ADVANCED INTERMEDIATE TENNIS

Focus on advanced techniques, skill, footwork & shot making. Previous tennis experience is required. Must be able to serve, rally, and volley. Learn how to shape the ball and improve your consistency. USTA NTRP rating 3.0.

ADVANCED TENNIS

This class is for experienced players ONLY. 3 plus years (NTRP 3.5 or higher). Focus is on advanced techniques, skills, footwork, strategy, and shot shaping.

INTERMEDIATE CARDIO TENNIS

Previous tennis experience is required. Lessons are fast-paced with footwork and movement in the forefront of the class.

SPECIALTY PROGRAMS

SMALL GROUP CLASSES

Juniors 7 to 15 years old • Adults 16 years old and older

Small Group Classes (4-6 participants) are a great way to get more individualized instruction tailored to your individual needs. These classes will cover the fundamentals of stroke production, movement, and strategy, while engaging each player in fun and productive drills and exercises. The class fee is slightly higher due to the limited class size, and the individualized attention. Small group sessions optimize the playing time and will help each player improve at a faster pace.

RALLYBALL PERFORMANCE

6 to 10 years old

Red and Orange Ball Performance (ROB) program focuses on 6-10 year old players who have some tennis experience and are serious about tennis. Typically these players have little competitive experience, but are looking to develop their game and are looking to one day compete in the USTA Tournaments. The clinics are 1.5hrs and offer players intense workouts, focusing on developing their fundamentals, footwork, and point play under a positive fun environment. The program is designed to get the players ready to join our Junior Performance (JP) program.

JUNIOR PERFORMANCE

10 to 18 years old

The Junior Performance (JP) program is for 10-18 year olds who have had prior tennis experience, have developed their fundamentals and play USTA tennis tournaments on a regular basis. The 2.5 hour workouts are tough and modeled after college style workouts. JP players focus on drilling, strategy, match play and footwork. Players are asked to play challenge matches.
